Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — ORI of San Diego is being awarded a \$10,021,881 cost-plus-fixed-fee indefinite delivery/indefinite quantity contract for technical services to de-install, reinstall, fabricate, remanufacture, repair, restore and calibrate electronic, cryptographic, electro-mechanical assemblies and test equipment in support of the restoration depot facility located at the Old Town Campus of Space and Naval Warfare Systems Center, San Diego. This contract contains four one-year options which, if exercised, will bring the total cumulative value of this contract to \$51,812,407. Work will be performed in San Diego (79%) and on various ships and other government installations worldwide (21%). The period of performance is from August 10, 2000 through August 9, 2005, inclusive of options, if exercised. Contract funds will not expire at the end of the current fiscal year. This procurement was an 8(a) competitive procurement advertised in the Commerce Business Daily. Seven offers were received. The Space and Naval Warfare Systems Center, San Diego is the contracting activity (N66001-00-D-0009).
